### By airplane

It is best to take a taxi when arriving from Berlin Tegel Airport. It costs app. 15 € and takes about 20 minutes.

From Berlin Schönefeld airport, take the train (RE 5, RE 7 or RB 14, all app. 25 min.) or S-Bahn (S 9, app. 40 min.) to Bahnhof Friedrichstraße with an ABC - Ticket.

### By train

From the Central Station (see map on top): take the S-Bahn to the east and get out at the next stop “Friedrichstraße”. Take the Exit “Schiffbauerdamm/Albrechtstr.” and follow the way indicated on the map.

### By car

You can easily reach us in the centre of Berlin. However, parking space is rare.

### Your way through the building

You can find us on the 3rd floor. If you follow the signs you can't miss us.
